

EH5702 - Box Outdoor Wall Light -E27 Graphite

Description

The Box wall light is a 240v wall or pillar mountable light with minimalist design and a modern powder coat graphite grey finish. The opal diffuser provides a soft and wide spread light for doorways and seating areas.

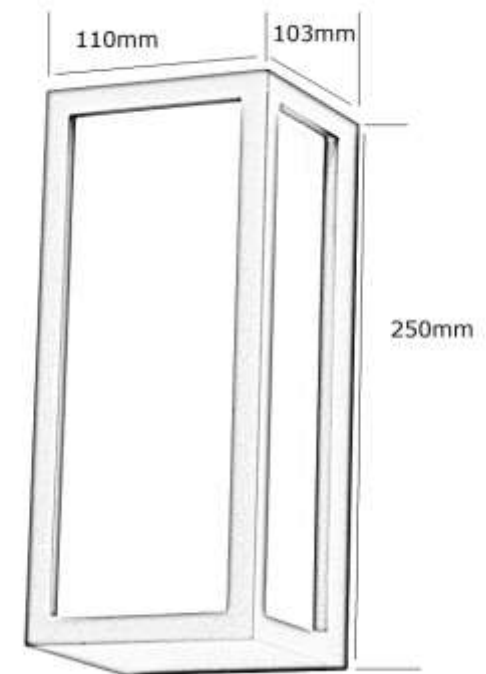

Electrical	240v E27 candle lamp or GLS lamp, dimmable with suitable LED
Colour/ Finish	Graphite grey powder-coat die-cast aluminium construction with Opal, impact resistant, polycarbonate panel.
Exterior Dimensions	Body 110mm x 250mm and 103mm deep.

Installation guidelines

- Separate light from base plate by removing the small grub screws.
- Mark and drill holes and insert wall plugs.
- Terminate the cable to the terminal block on the base plate and screw in the lamp.
- The use of T9990 sealant is recommended for effective seal around the cable entry and fixing holes.
- Place the light over the base plate and secure by tightening up the small grub screws.
- Place washer and O-ring over fixing screws and secure the base plate to the wall or post.
