

E5531- Elipta LED Path Light Solo IP65 12v - 2w - 105lm

Description

Elipta's E5531 12v Path Light Solo is a pole-mounted Pathlight ideal for downlighting onto pathways, step and smaller shrubs from amongst medium-height planting. The adjustable knuckle also makes it an option for washing gentle light on a wall or feature. It is weatherproof to IP65 and fitted with a 1.5m rubber cable.

The Elipta Path light Solo is supplied with E6001 ground spike For greater stability users may wish to choose E6002 Tri-Spike which provides firm positioning in loose soils (purchase separately)
