

Elipta E9826WW - Titan26 LED Spotlight - 240v - 26w Warm White

Description

The Elipta E9826WW is an adjustable wall or spike-mount 240v LED spotlight with an aluminium body and glare shield powder-coated in black. It has a high-efficiency 26w COB led providing light output equivalent to a 200w halogen lamp in a focused 36-degree beam for Uplighting trees and focal points.

Electrical data	2272Lm, 26w warm white (3000K) built in, non-dimmable, LED
Colour/ Finish	Powder coated black aluminium body.
Exterior Dimensions	206mm x 138mm including bracket.

Installation guidelines

Stirrup bracket mounts on walls or the ground spike supplied. A 2m input cable is provided for connection to the mains supply via a separate weatherproof junction box or underground joint kit (not supplied).

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

**2 YEAR
WARRANTY**

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials. Corrosion due to exposure to salt or chlorine. Damage due to incorrect installation practices. Responsibility for 3rd party cost; indirect or consequential loss
