

# EH2836-LED- Insika Bollard Light - Graphite - Warm White LED

## Description

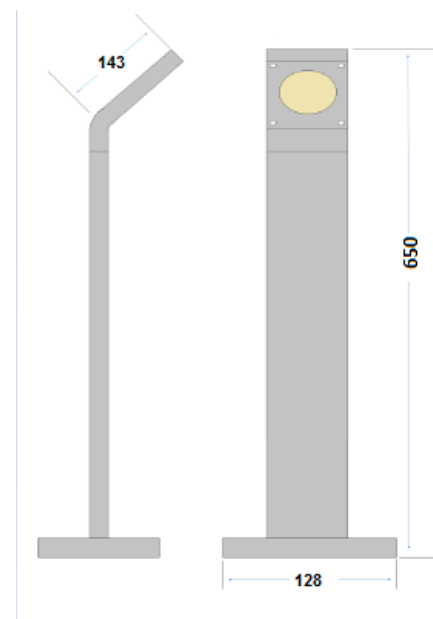

Insika 240v outdoor LED bollard light; warm white LEDs, sleek and modern design with a powder-coated, graphite grey finish. The 324 Lumen light output emits 2 metre glare free radius of light to the front and sides of the fitting, making it an excellent choice for lighting along paths, at intervals of 2-4 metres apart. The bollard may be bolted to paving, decking (anchors supplied), fixed into wet concrete or soft ground with an optional ground-spike (purchase separately).

<b>Electrical</b>	240v built-in 6w Philips LED 324lm 3000k 107° beam angle
<b>Colour/ Finish</b>	Graphite Grey powder-coated aluminium
<b>Exterior Dimensions</b>	650mm tall x 128mm wide base

Pre-wired with 2 metre rubber cable for connection via T9969 underground joint kit.

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

## 2 YEAR WARRANTY

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials. Corrosion due to exposure to salt or chlorine. Damage due to incorrect installation practices. Responsibility for 3rd party cost; indirect or consequential loss
