

LD4000362 - Elipta Clyde Oval Bulkhead - Solid Brass c/w Screws

Description

The Clyde Bulkhead light is a rugged 240v wall mount light in solid cast brass. It has an E27 lamp holder for use with LED filament lamps behind a ribbed diffuser to give a wide spread of light around patios and seating areas from a house wall, pergola or in a gazebo. The CGBE27 LED golf ball lamp is recommended as it places the light in the centre of the glass for a more balanced appearance.

Electrical	240v Retro-fit E27 CGBE27 LED golf ball lamp or CGLS6 LED lamp recommended
Colour/ Finish	Solid Natural Brass
Exterior Dimensions	190mm x 104mm x 110mm deep.

Wide
beam

IP64

Retrofit
LED

Installation guidelines

Screw back plate onto wall. Seal wall fixing holes with T9990 outdoor sealant.

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

5 YEAR WARRANTY

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials.
Corrosion due to incorrect installation practices.
Responsibility for 3rd party cost; indirect or consequential loss.
