

LD438G912 - Elipta Chatham Outdoor Wall Light - Solid Brass, Nickel Plated Finish

Description

Chatham outdoor wall lights are small surface mount luminaires for step, path and patio lighting where 240v installation without transformers is required.

A G9 240v LED capsule lamp of 3 watts is recommended. Construction is from solid brass with a brushed nickel finish, making for a stylish yet rugged fitting. And the frosted, toughened glass diffuser gives a soft, wide spreading light.

Electrical	240v Retro-fit G9 capsule lamp
Colour/ Finish	Brushed Nickel Plated Solid Brass
Exterior Dimensions	140mm diameter x 50mm thick.
