

LD45462 - Elipta Portland Post Light - Solid Brass - 29cm

Description

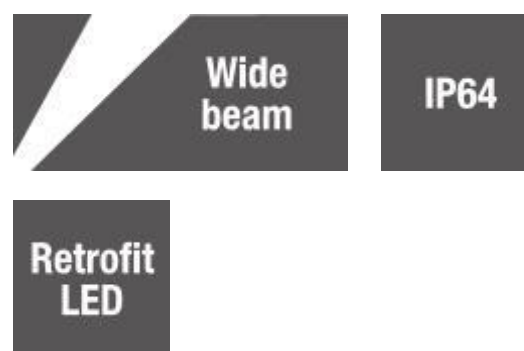

The Portland Brass Post Light is ideally suited for mounting on posts and walls to give a 360° spread of light. Construction is from solid brass with a sturdy ribbed glass lamp housing. It accepts 240v E27 LED lamps. The Portland may be bolted to paving and slabs, or an optional ground spike is available for installation in planting and lawn areas.

Electrical	240v Retro-fit E27. Accepts E27 lamp up to 135mm. CGLS6 or CGBE27 E27 LED filament lamps recommended.
-------------------	---

Colour/ Finish	Solid Natural Brass
-----------------------	---------------------

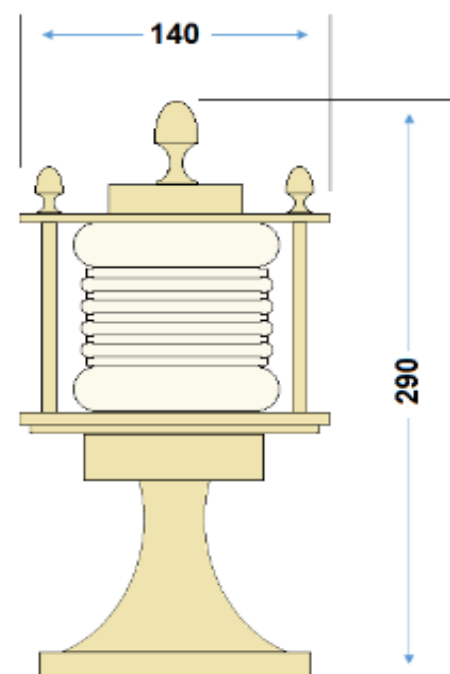

Exterior Dimensions	290mm x 140mm
----------------------------	---------------

Installation guidelines

Direct connection to lamp holder through base of fitting.

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

**5 YEAR
WARRANTY**

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials.
Corrosion due to incorrect installation practices.
Responsibility for 3rd party cost; indirect or consequential loss.
